ALBERTO
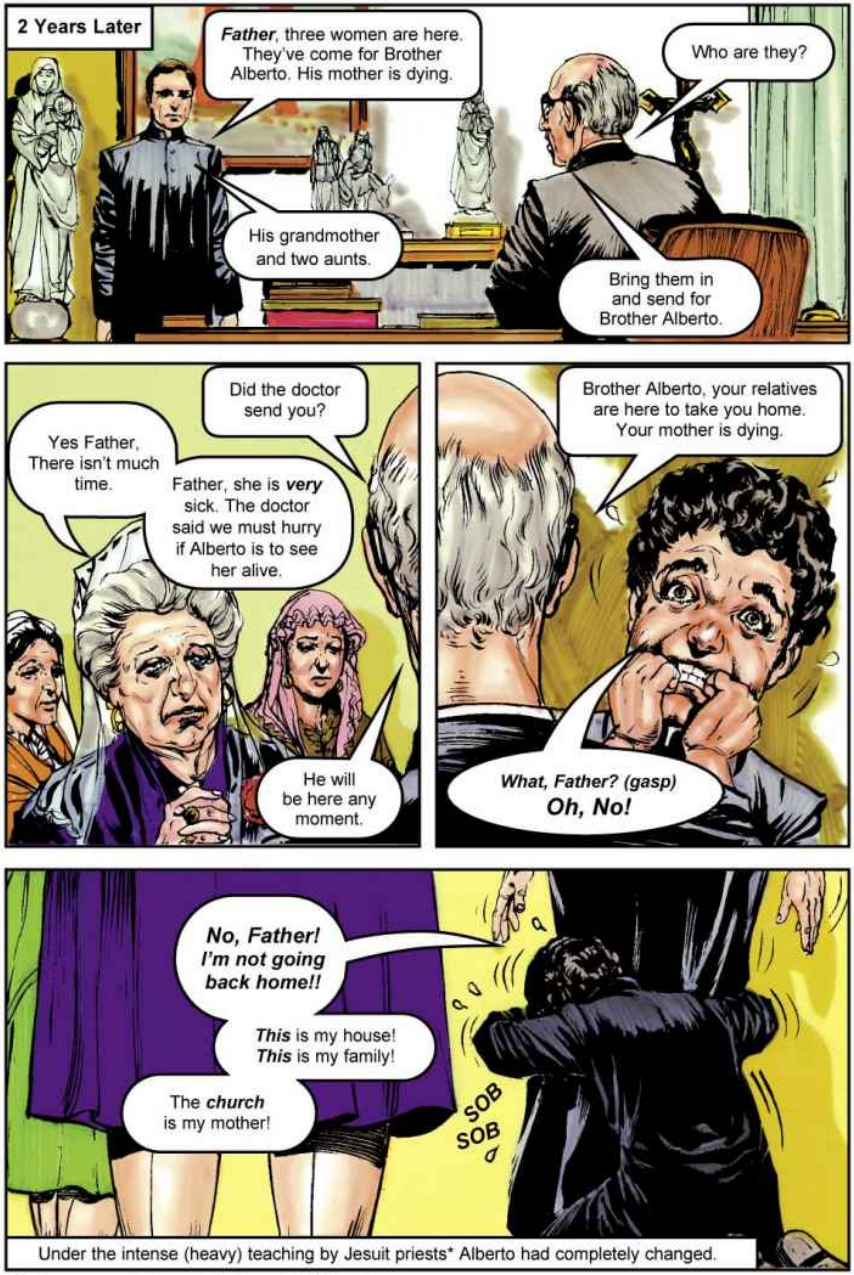
BASED ON A TRUE STORY
Oh, Father Abraham, this is one of the happiest days of my life. Today my son begins his studies to become a priest.
Yes, Mrs. Rivera. You have prepared him well for this great calling.
Ah... Look, Alberto, there is the *seminary. Can you see it?
Yes, Father Abraham. I see it.
*A Relgious School
I baptized Alberto and now I have the joy of taking him through these gates.
Come, my son.
No, Mama... No!... I don't want to go... take me home mama, please!
Alberto, stop that! You must come ... you must!
No... Please, Mama. NO!!
What's the matter with him?
SOB
SOB
I don't understand!
Alberto begins his schooling at age 7.

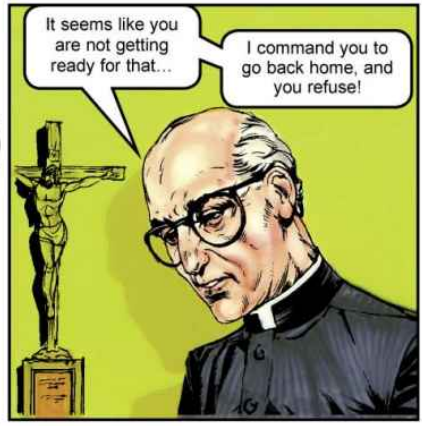


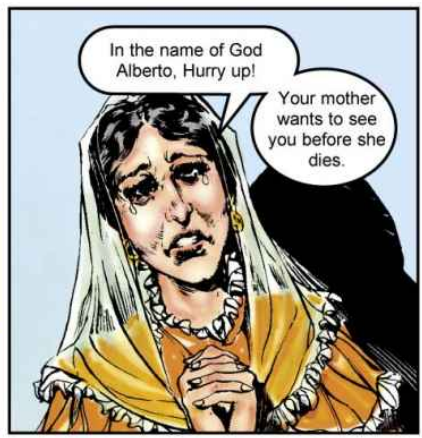
2 Years Later
Father, three women are here. They've come for Brother Alberto. His mother is dying.
Who are they?
His grandmother and two aunts.
Bring them in and send for Brother Alberto.
Did the doctor send you?
Yes Father, There isn't much time.
Father, she is very sick. The doctor said we must hurry if Alberto is to see her alive.
He will be here any moment.
Brother Alberto, your relatives are here to take you home. Your mother is dying.
What, Father? (gasp)
Oh, No!
No, Father! I'm not going back home!!
This is my house! This is my family!
The church is my mother!
SOB SOB
Under the intense (heavy) teaching by Jesuit priests* Alberto had completely changed.

*The sharpest group of priests in the Roman Catholic institution.

My son, let me ask you a question…
Lift up your face and look at me.
Aren't you here to become a priest?
Yes, Father!
Don't you know that you are here to take one of the most sacred vows,
and that is the vow of obedience?

*promise to God





Why did you move Mrs. Rivera into *this* bedroom?
She said strange things were coming into her bedroom that frightened her.
She asked to be moved.
What strange things?
I don't know! I just do what I'm told. Father Abraham said it would be all right.
Oh? Well, if the Father said it was all right, then it is all right.

Mr. Rivera, your wife was a saint. She helped everybody. *(sob)*
There was none better. She was completely devoted to the Virgin Mary and to her church.
To my knowledge she *never* missed going to mass. Yes, Teresa is a saint.

Alberto is coming!
Go tell Teresa her son is here!
Oh, thank God... yes, I will... I will!

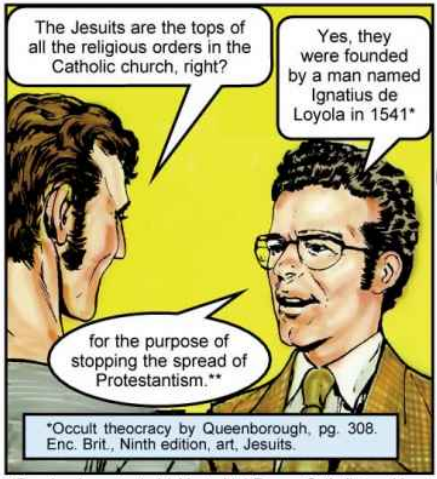
Alberto... my son... my priest. I'm afraid Alberto. I don't ***want*** to die. Help me, please. I'm afraid. I want you to help me!
Pray for me to the blessed Virgin Mary. Pray for me, Alberto!
I've even prayed to the sacred heart of Jesus... but I don't get any answers in my soul... (gasp) help me. Alberto... I'm so afraid... help me.

Father Abraham, I don't know what to do!
My son, Alberto I did all I could...
Can't you do something more, Father?
Oh, God... I see those ugly things coming for me again. I'm so afraid... Now they are in *this* room.
Your mother has not only received the sacraments,* but special indulgence by the Pope,** our holy father.
A special high mass has also been said.
And now, Alberto, I have just given her the last sacrament of extreme unction.
*Sacraments of baptism, penance, the holy Eucharist (mass), confirmation and the sacrament of matrimony.
**Pope Pius XII
Note: Mrs. Rivera was not on medication.
Oh no! Don't you see them? They want to put me in fire!
Look at those people on fire!! (ugh) Those horrible monsters are coming for me!! (gasp)
They want to get me, Alberto! I don't want to die and go there!
Mama, Mama, come back!
(sob)
(sob)
She is gone, my son.
No! Alberto! Make them let go of me. I'm afraid!! Help me! I'm afraid to die, fire, monsters, (sob) please help me. (gasp) Help me...
Teresa Romera Rivera died at age 33.

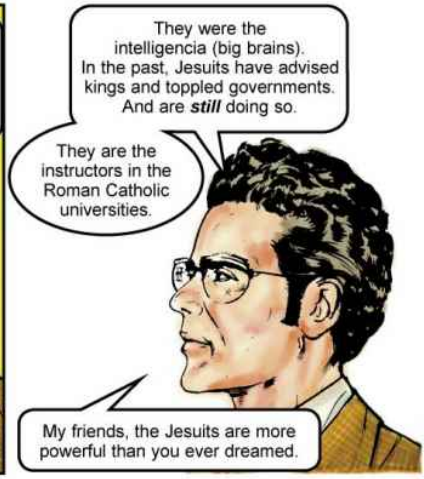
The following day
Alberto, you *have* to trust the church. I was the priest who baptized you. Don't you believe me?
Perhaps after the funeral you will talk to me. Good-bye my son!
I'm *not* your son!
It's *all* a lie! The sacraments didn't help my mother. The church didn't help her when she needed help and comfort.
Father Abraham must be a liar! He's supposed to be Jesus* and Jesus didn't help.
I feel dead, inside. I don't believe anything anymore.
*Canon law and dogma by reason of ordination the priest is granted 2 powers: to forgive sins and to perform mass. These place him in the position of Jesus according to the Roman Catholic teaching.
After the funeral
If Father Abraham lied,
then maybe he didn't do what he was supposed to do.
Mama, *if* I become a priest then maybe I will find the answers and I'll have the truth...
That's what I will do!
O God, help me to become a priest so that I may bring peace to anyone in need.
Mama, I will go back to school for *you*...
...I'll come back to see you, Mama when I am a priest and you will be proud and happy...
(sob) Good-bye, Mama... *(sob)* I love you so much.

Years later, in San Diego, 1979
Glenco Electronics.
May I speak to Tim Clark, please?
One moment, please.
Hello, this is Tim Clark...
Hey Tim, This is Sonny Manchester.
Sonny? Man, it's great to hear your voice! Where are you?
I'm calling from San Diego. I've got a big problem Tim. Could you help me out?
You'll find him a very special person. We'll be at your place by 6:30 tonight.
Okay, Sonny. I'm sure looking forward to seeing you again...
What's your friend's name?
His name is Dr. Alberto Rivera!
You bet, Sonny. What is it?
A friend of mine has been in an accident, and he needs a place to stay for a few days.
No problem, He can stay at my place as long as he wants.
Thanks, Tim. I've got to fly back to Chicago tonight. I just don't like him being alone.

Dr. Rivera, this is James Carter and Tim Clark.
My pleasure.
Hi, doctor.
I'm happy to meet you my brothers.
I told Dr. Rivera I would trust you two with my life.
We feel the same way about *you,* Sonny!
Dr. Rivera is a pastor and a speaker and has one of the most unusual stories I've ever heard.
He is a true Bible-believing Christian. You can trust him. You have my word.
I've got to get to the airport or I'll miss my flight. Dr. Rivera, God bless you. I know the battle you're facing. My family and I will be praying for you.
Good-bye Sonny.
Thank you so much for everything.
It's been great seeing you again.
Tim, my car is being repaired. I shouldn't be here any longer than Tuesday.
Didn't Sonny say you were run off the freeway?
Yes, that's true.
Was it a drunk or some nut?
Oh, no! These things happen from time to time. Ever since I left Spain.
What did you do in Spain, Dr. Rivera?
I was a Jesuit priest and a bishop in the old Roman Catholic institution.
Man, *that* is heavy!



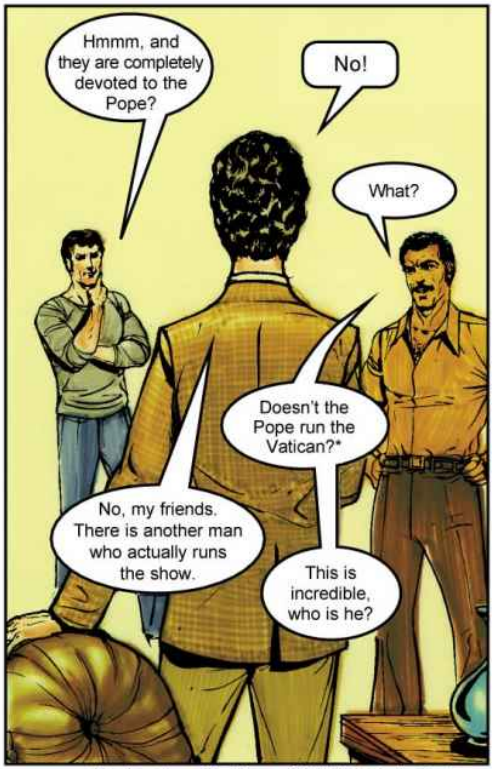
The Jesuits are the tops of all the religious orders in the Catholic church, right?
Yes, they were founded by a man named Ignatius de Loyola in 1541*
for the purpose of stopping the spread of Protestantism.**
*Occult theocracy by Queenborough, pg. 308. Enc. Brit., Ninth edition, art, Jesuits.



They were the intelligencia (big brains). In the past, Jesuits have advised kings and toppled governments. And are *still* doing so.
They are the instructors in the Roman Catholic universities.
My friends, the Jesuits are more powerful than you ever dreamed.

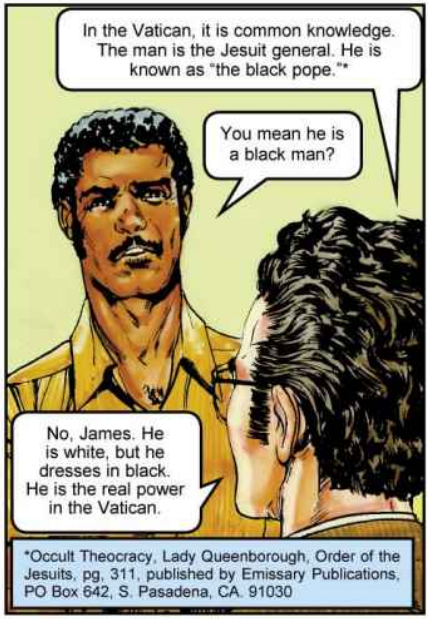
**People who protested (objected to) Roman Catholic teaching.

*This includes Jesuits outside the priesthood.

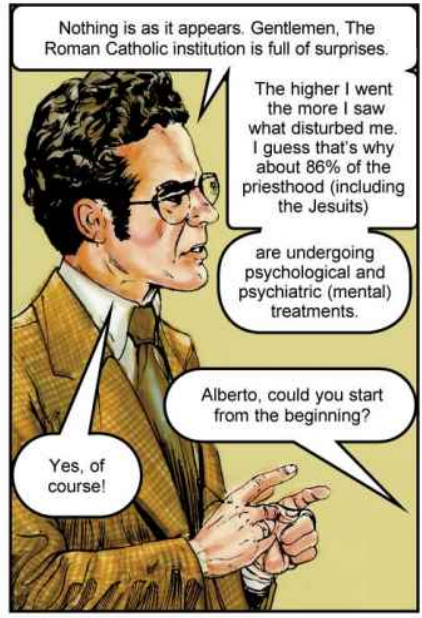


Hmmm, and they are completely devoted to the Pope?
No!
What?
Doesn't the Pope run the Vatican?*
No, my friends. There is another man who actually runs the show.
This is incredible, who is he?

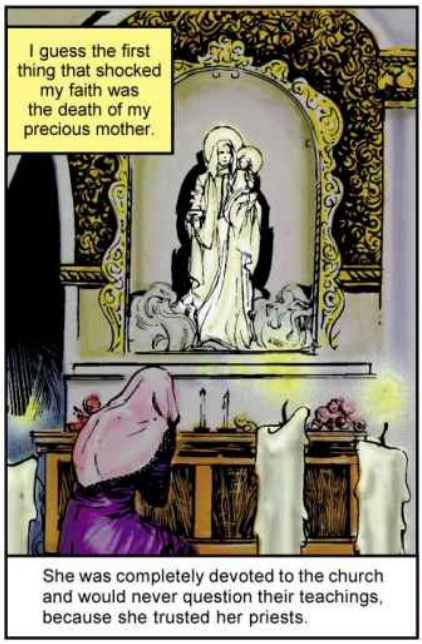
*Headquarters of the Roman Catholic institution in Rome.



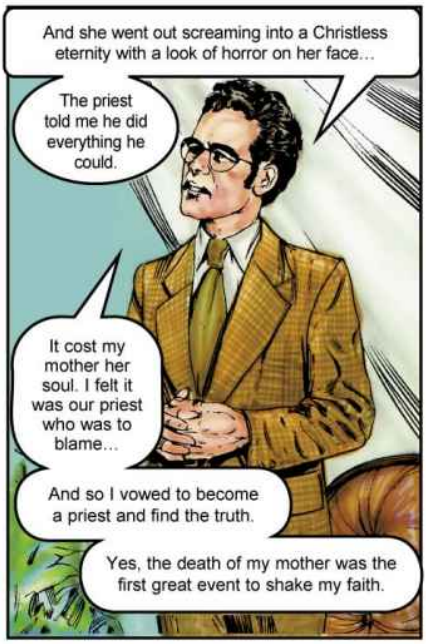
In the Vatican, it is common knowledge. The man is the Jesuit general. He is known as "the black pope."*
You mean he is a black man?
No, James. He is white, but he dresses in black. He is the real power in the Vatican.
*Occult Theocracy, Lady Queenborough, Order of the Jesuits, pg, 311, published by Emissary Publications, PO Box 642, S. Pasadena, CA. 91030



Nothing is as it appears. Gentlemen, The Roman Catholic institution is full of surprises.
The higher I went the more I saw what disturbed me. I guess that's why about 86% of the priesthood (including the Jesuits)
are undergoing psychological and psychiatric (mental) treatments.
Alberto, could you start from the beginning?
Yes, of course!



I guess the first thing that shocked my faith was the death of my precious mother.
She was completely devoted to the church and would never question their teachings, because she trusted her priests.



And she went out screaming into a Christless eternity with a look of horror on her face...
The priest told me he did everything he could.
It cost my mother her soul. I felt it was our priest who was to blame...
And so I vowed to become a priest and find the truth.
Yes, the death of my mother was the first great event to shake my faith.

The next event that deeply troubled me happened in school late one night. I had just gone to sleep, someone climbed into my bed and started kissing me.
What the... Get out of my bed!
POW!
OWWW!
Father Rector*... Father! Come here!
My nose, you broke my nose!
*Principal
What's going on here??
Alberto hit me on the nose, Father.
Father, he got in bed with me and kissed me, and...
Get out, everybody out of this room...
You stay here, Alberto.
Shame on you, Alberto! Get on your knees for confession!
Get on your knees and confess your sin!
But Father, He's the one that got into my bed. I don't understand!
What was my sin?

Your sin was, Alberto… that he offered you his love and this was God's love, and you rejected it!

GASP

To my amazement, the homosexual wasn't even questioned. As time went on, I discovered homosexuality throughout the system from priests to cardinals (next highest to the pope).

Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolators, nor adulterers, nor effeminate (homosexuals)… shall inherit the kingdom of God. 1st Cor. 6: 9:10

The fact that the Roman Catholic institution does not allow marriage by the priests and nuns* has caused tremendous problems.

When I was in the confessional,** some nuns confessed to lesbianism, and others confessed to love affairs with priests.

It must be a constant source of frustration, Alberto!

It is, James!

**"The Priest, The Woman and The Confessional" by Chiniquy published by Chick Publications

*Celibacy

Alberto, I've heard some old wive's tales about workmen, digging on Catholic property…

and uncovering hidden underground burial sites.

They found baby skeletons, supposedly from nuns who had become pregnant.

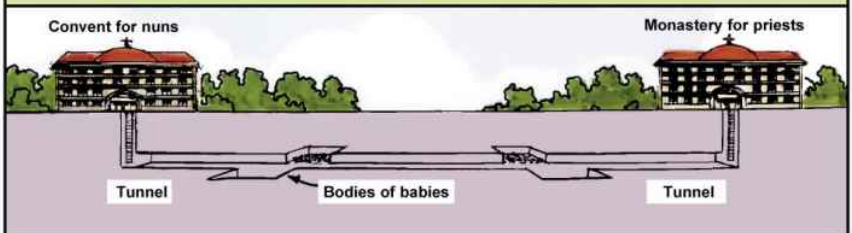
Is there any truth in that?

Oh yes, that is true! It happened in Seville, Spain around 1934. Also a discovery was made in Madrid in 1932.

And another in the Basque region of northern Spain.

The governments of presidents Aznar and Manuel Azana demanded a national investigation be made of all monasteries, convents, Roman Catholic schools and church buildings.

Many such grave sites were found in Spain and in Rome. By 1936 the Catholics of Spain were outraged and they attacked and destroyed many church buildings where these tunnels existed.



Government doctors checked the bodies and reported that in most cases death was by suffocation. In the light of this, isn't it strange that the Roman Catholic institution is against abortion?

You see, without the Roman Catholic priesthood, there would be no Roman Catholic institution.

Why?

Because the most important vow is the vow of celibacy,* without which there is no sacrament of order. This puts the priest up on a pedestal.

They claim God has favored him with grace above others because he remained unmarried.

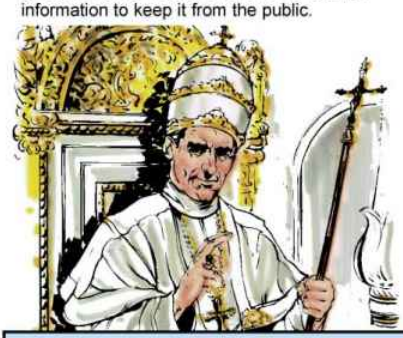
*No marriage ever

If all the priests got married, that would destroy the system…

because the institution is based on certain laws (canon) which say the pope can only come through the priesthood.

No pope, no Roman Catholic institution!

The pope is supposed to be the ruler of the world. This point was made clear by Augustine, a Roman Catholic writer around 420 A.D., in the original Latin version of his book "The City of God." Newer versions have removed this information to keep it from the public.



"He (the pope) is the sun, ruler of the universe. The moon (the governments of the earth) reflects his glory. The earth is all the people who bow down to him."*
He said, in essence, that God granted the pope the divine right as Jesus Christ on earth to secretly control the population in every country through education, politics, economics and military might.

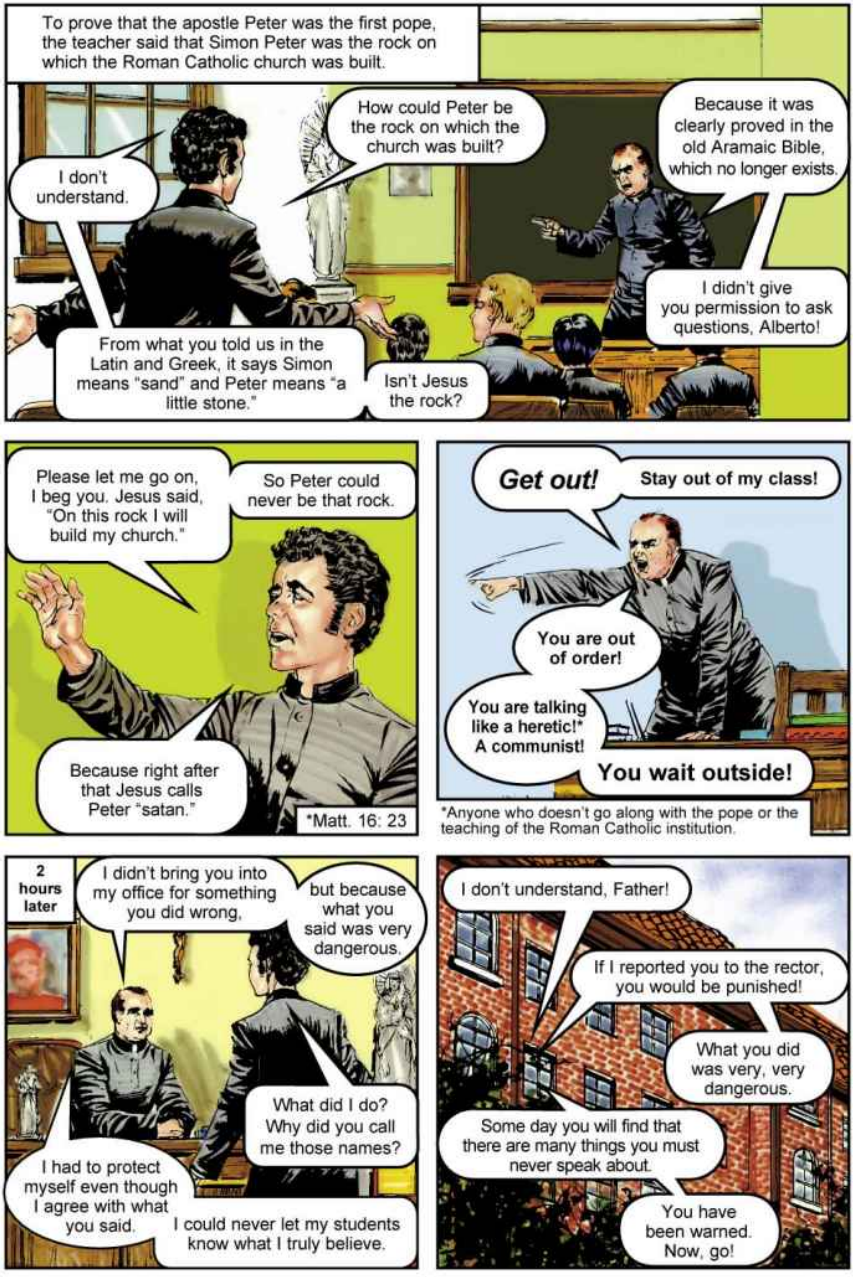
*See "History of the Christian Church", vol. V, by Schaff, pages 28 & 32, published by Eerdmans, Grand Rapids, Michigan, 1907.

My next great shock happened in school. I was 16 years old. The teacher was talking about Peter being the first pope.

I asked a question that almost destroyed me!

Stand up Alberto! What did you Say?

Little did I know I had challenged the pope himself.



To prove that the apostle Peter was the first pope, the teacher said that Simon Peter was the rock on which the Roman Catholic church was built.
I don't understand.
How could Peter be the rock on which the church was built?
Because it was clearly proved in the old Aramaic Bible, which no longer exists.
I didn't give you permission to ask questions, Alberto!
From what you told us in the Latin and Greek, it says Simon means "sand" and Peter means "a little stone."
Isn't Jesus the rock?
Please let me go on, I beg you. Jesus said, "On this rock I will build my church."
So Peter could never be that rock.
Because right after that Jesus calls Peter "satan."
*Matt. 16: 23
Get out!
Stay out of my class!
You are out of order!
You are talking like a heretic!* A communist!
You wait outside!
*Anyone who doesn't go along with the pope or the teaching of the Roman Catholic institution.
2 hours later
I didn't bring you into my office for something you did wrong,
but because what you said was very dangerous.
What did I do? Why did you call me those names?
I had to protect myself even though I agree with what you said.
I could never let my students know what I truly believe.
I don't understand, Father!
If I reported you to the rector, you would be punished!
What you did was very, very dangerous.
Some day you will find that there are many things you must never speak about.
You have been warned. Now, go!

We were not allowed to read Bibles. Only the instructors could use them. A younger student shoved a new testament into my hands.

What is this?

It's a matter of life and death, Alberto!

Read it! I've got to go. Good-bye.

I was afraid. It didn't have the official Roman Catholic seal* of approval on the first page. I tried to throw it away. If I were caught reading it, they would have accused me of heresy. So I hid it.

*Nihil Obstat, Imprimatur ✠

I'm wearing glasses today because for three years I would read it at night under the blankets by flashlight.

What did you do when you found out that Peter was married?*

I almost died!

"And when Jesus was come into Peter's house, he saw his wife's mother laid, and sick of a fever.
And he touched her hand, and the fever left her: and she arose and ministered unto them." Matthew 8: 14,15
Also found in Mark 1: 30 and Luke 4: 38, 39

One night I read these shocking words in 1 Timothy, chapter 3, verses 2,3,4,5.

"A bishop then must be blameless, the husband of one wife, vigilant, sober, of good behavior, given to hospitality, apt to teach;
Not given to wine, no striker, not greedy of filthy lucre, but patient, not a brawler, not covetous…
One that ruleth well his own house, having his children in subjection with all gravity,
(For if a man know not to rule his own house, how shall he take care of the church of God?)"

gulp

And then I found this verse: "Thou art Simon, the son of Jona: Thou shalt be called Cephas, which is by interpretation a stone." (small pebble) John 1:42

I was right! **Peter was not the rock. Jesus was!**

Note: Any questions concerning Roman Catholicism or their dogmas or doctrines see "The Two Babylons" by Hislop and "50 Years in the 'Church' of Rome" by Chiniquy. For a price list of these and other reference materials write Chick Publications.

About this time we started taking classes on the history of the inquisition.* It made me hate the protestants even more.

Yet some of the information shook me up.

Little did I know that I would soon be trained as an espionage** agent to destroy protestant churches.

*See "Babylon Religion" pp.179-185
**Undercover work, like a spy.

The inquisition was the most horrible engine of cruelty and power the world has ever seen. The Roman Catholic institution from 1200 A.D. on, had produced a total of *68 million victims.

The holy office which ran the inquisition was run by the ** Dominican Monks, but the mastermind behind them were the Jesuits.

The holy office was a thing of terror wherever it reached. No one was safe!

Today the Roman Catholic institution is busy rewriting the history of the inquisition as a cover-up. Books on the subject have quietly disappeared from many libraries. **It is one of the best kept secrets of modern times.**

* "The Other Side of Rome" By J.B. Wilder, Zondervan Publishing House, Grand Rapids, MI. pg. 153
** A group formed by a priest named Dominic.

In our church history classes, the teachers would read what was actually said during one of these trials of the inquisition.

Someday, as priests, you will have to answer questions about the inquisition.

In this class we will explain what really happened.

I will read this case and show you why the church had the moral authority (right or power) to find this heretic guilty and sentence her to death.

On May 21, 1559, Bible-believing Christians were worshipping the Lord in a home. It was reported to the holy office. This was considered a crime, punishably by death.

CRASH!

Stop! In the name of the holy office!

Grab the heretics!

They're worshipping the devil.

It's a witches' meeting!

This lady is Dona Isabella. Please release her. She is a countess. She is a cousin of King Phillip!

Haw! When they are heretics, there are no countesses, or princes, or kings.

A heretic is a heretic!

Have mercy. She is in labor. She's having a baby!

God will not protect a child of a heretic because it will be a heretic too!

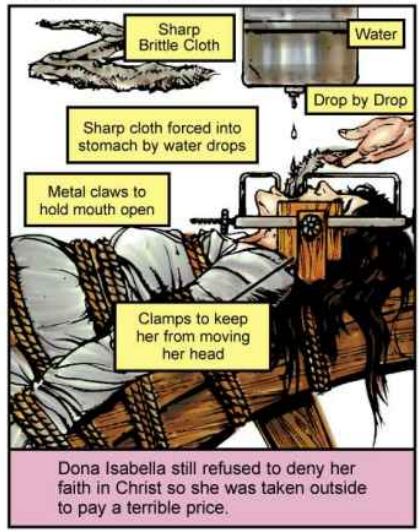
Take her away!

The tribunal* and jury sit in the position of God. To disagree with them was to challenge God.
No, I won't! How can I deny† my Savior? How can I deny him who died on the cross for my sins?
You heretic. Will you recant?** Will you repent?***
How can I deny the one who gave me life? How can I deny him who is my only hope in eternity after you massacre my body?
After you destroy my person?
*A religious court of law **Take back what you said ***Change your mind †Reject—to say it is not true

Sir, I will not lie, because I learned the truth.
Death to the witch. She's a liar.
What is the truth? Tell us!
Confess, you witch! What truth?
You *want* to know the truth? I pray to God that you might know him! Because He is the truth!

Dona Isabella, who *is* he? *Who is he?*
Christ, my Savior! Jesus said, "I am the way the truth and the life. No man cometh unto the father but by me." John 14: 6
Stop, heretic!
The Virgin Mary said that! You liar! It was the holy mother who said that! Not Jesus! She is the way, not Jesus! Put her to death! Put her on the rack!

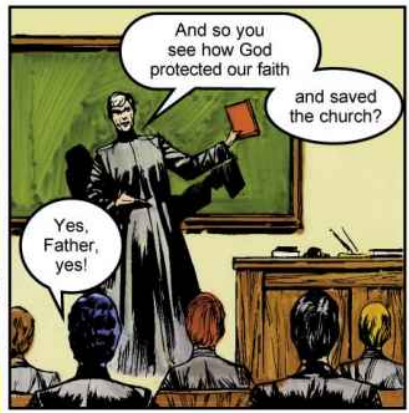
Dona Isabella was placed on the rack. Water was dropped into her mouth drop by drop, forcing a sharp, brittle linen cloth down her throat until it reached her stomach. Then it was ripped out of her, cutting everything from her stomach to her mouth.

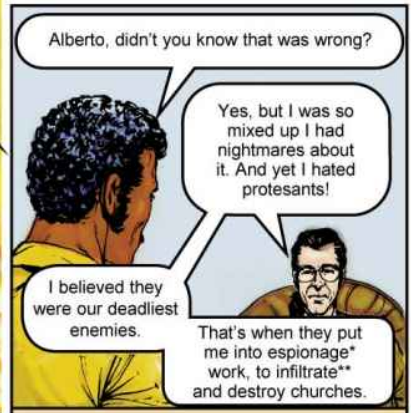


Sharp Brittle Cloth
Water
Drop by Drop
Sharp cloth forced into stomach by water drops
Metal claws to hold mouth open
Clamps to keep her from moving her head
Dona Isabella still refused to deny her faith in Christ so she was taken outside to pay a terrible price.

Sweet Jesus, take us home!
Burn her for the glory of God!
Filthy heretic! Witch!
And so Dona Isabella, in her blood-soaked dress, dies with her unborn child in the flames. They are carried to the arms of their precious Saviour to be together forever.

Historical fact: Phillip II came to view the burning of Dona Isabella, because she was his cousin. He enjoyed the execution.



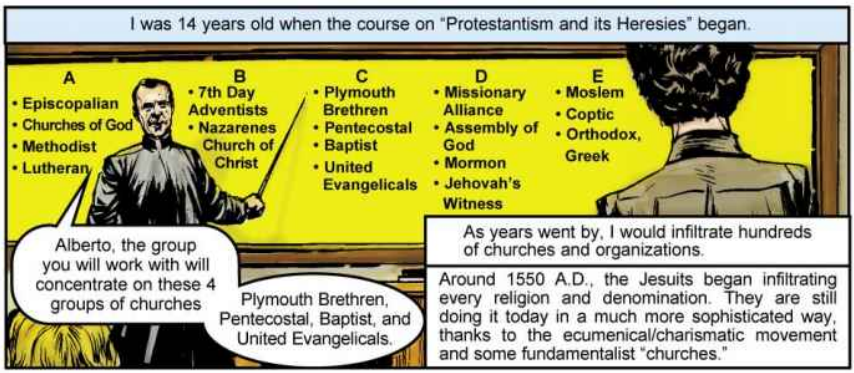


Alberto, didn't you know that was wrong?
Yes, but I was so mixed up I had nightmares about it. And yet I hated protesants!
I believed they were our deadliest enemies.
That's when they put me into espionage* work, to infiltrate** and destroy churches.

*Undercover work, as a spy.

**To sneak into a group without their knowing who you really are.

I was 14 years old when the course on "Protestantism and its Heresies" began.



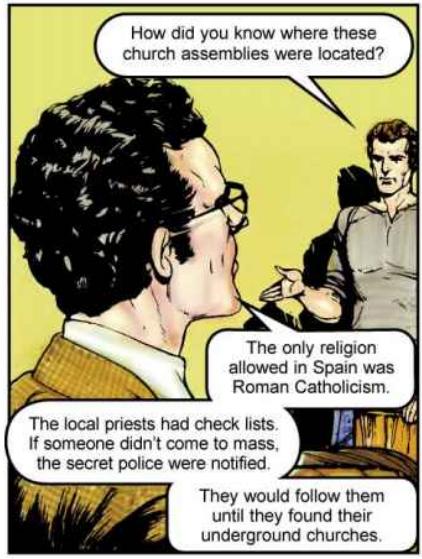
As years went by, I would infiltrate hundreds of churches and organizations.

Around 1550 A.D., the Jesuits began infiltrating every religion and denomination. They are still doing it today in a much more sophisticated way, thanks to the ecumenical/charismatic movement and some fundamentalist "churches."

Priests who had successfully infiltrated the Plymouth Brethren gave us books by Darby, Scofield, Kelly, etc. We studied their dispensational* charts.

We even help Plymouth Brethren type services. The priest showed us how to break bread on the Lord's Day.
When they felt we were ready, they would give us locations of churches to infiltrate, and told us how to pretend we accepted Christ.

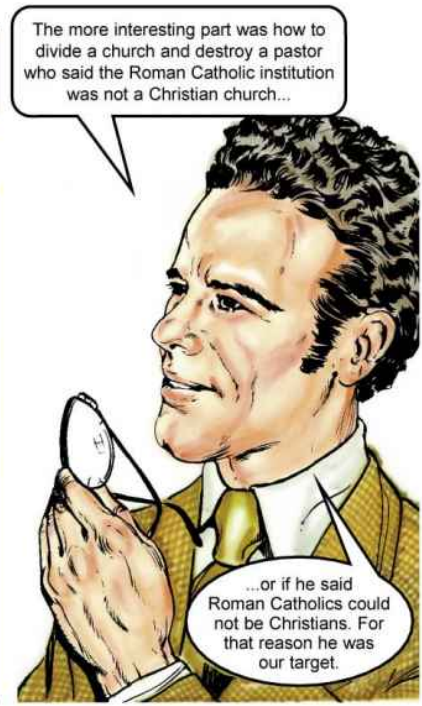
*Showing important Bible time periods.



How did you know where these church assemblies were located?
The only religion allowed in Spain was Roman Catholicism.
The local priests had check lists. If someone didn't come to mass, the secret police were notified.
They would follow them until they found their underground churches.

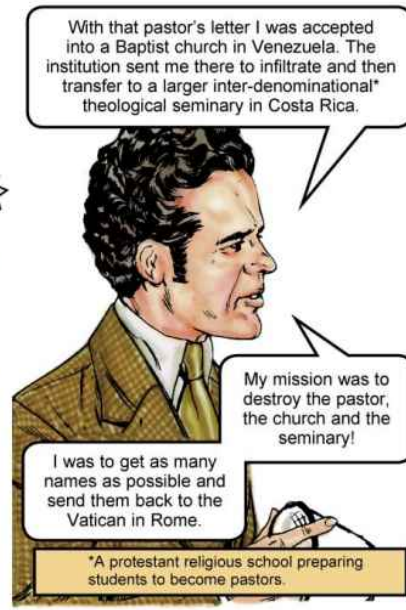
We were taught how to play with the children of the church members, and the questions to ask the children when we were alone.

Also, when invited to dinner, we were shown how to bring flowers to the lady, to be very polite and open doors for them. When alone with them, to flatter them about how beautiful and charming they were.
We learned how to play on their sentiments (feelings) by showing great sympathy when one of their loved ones died, also to show great interest in them when passing through any great crisis.

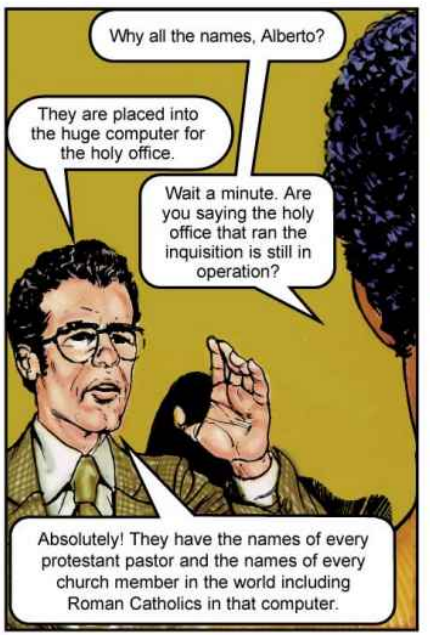


The more interesting part was how to divide a church and destroy a pastor who said the Roman Catholic institution was not a Christian church...
...or if he said Roman Catholics could not be Christians. For that reason he was our target.

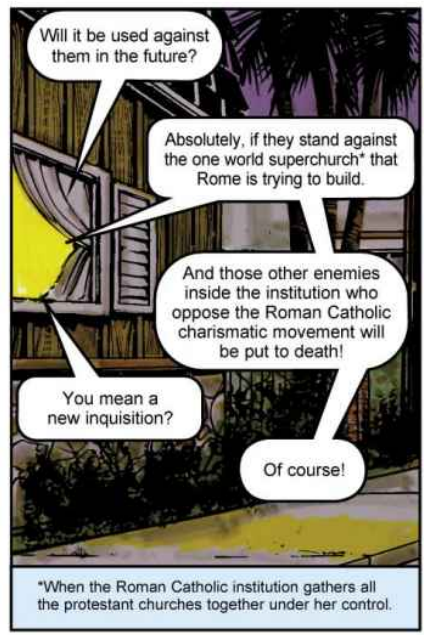
I let myself be caught in one raid in Spain so my name would appear in the newspaper as a heretic. I also got a personal letter from the pastor of that church, recommending me as a faithful and trustworthy Christian. He didn't know that I was responsible for the raid and his being in prison. I was 17 years old at the time.



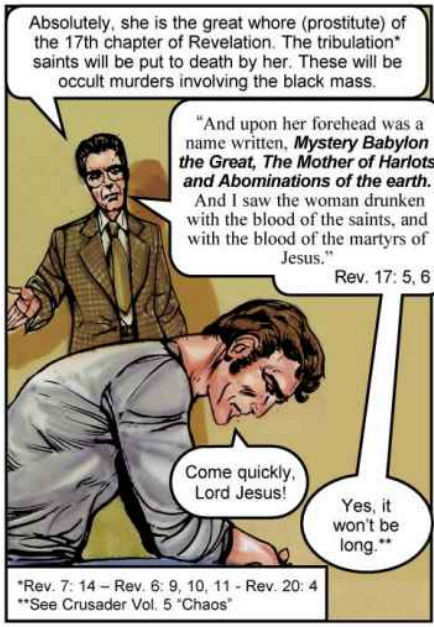
With that pastor's letter I was accepted into a Baptist church in Venezuela. The institution sent me there to infiltrate and then transfer to a larger inter-denominational* theological seminary in Costa Rica.
My mission was to destroy the pastor, the church and the seminary!
I was to get as many names as possible and send them back to the Vatican in Rome.
*A protestant religious school preparing students to become pastors.



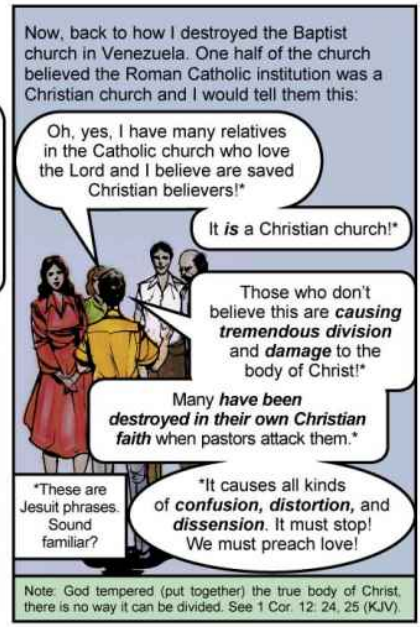
Why all the names, Alberto?
They are placed into the huge computer for the holy office.
Wait a minute. Are you saying the holy office that ran the inquisition is still in operation?
Absolutely! They have the names of every protestant pastor and the names of every church member in the world including Roman Catholics in that computer.



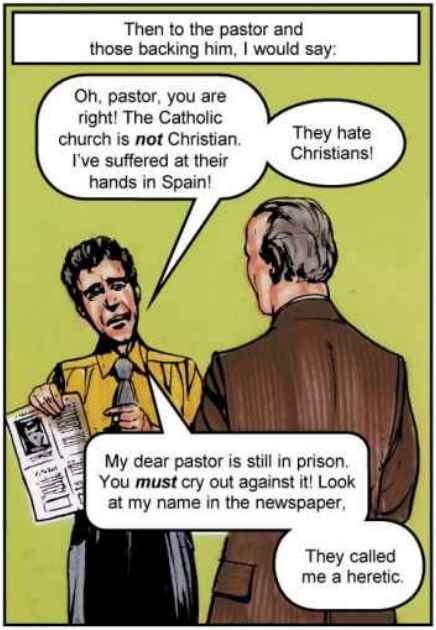
Will it be used against them in the future?
Absolutely, if they stand against the one world superchurch* that Rome is trying to build.
And those other enemies inside the institution who oppose the Roman Catholic charismatic movement will be put to death!
You mean a new inquisition?
Of course!
*When the Roman Catholic institution gathers all the protestant churches together under her control.



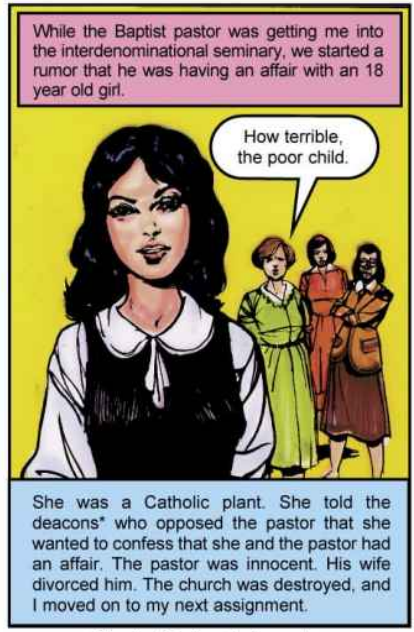
Absolutely, she is the great whore (prostitute) of the 17th chapter of Revelation. The tribulation* saints will be put to death by her. These will be occult murders involving the black mass.
"And upon her forehead was a name written, **Mystery Babylon the Great, The Mother of Harlots and Abominations of the earth.** And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus." Rev. 17: 5, 6
Come quickly, Lord Jesus!
Yes, it won't be long.**
*Rev. 7: 14 – Rev. 6: 9, 10, 11 - Rev. 20: 4
**See Crusader Vol. 5 "Chaos"



Now, back to how I destroyed the Baptist church in Venezuela. One half of the church believed the Roman Catholic institution was a Christian church and I would tell them this:
Oh, yes, I have many relatives in the Catholic church who love the Lord and I believe are saved Christian believers!*
It ***is*** a Christian church!*
Those who don't believe this are ***causing tremendous division*** and ***damage*** to the body of Christ!*
Many ***have been destroyed in their own Christian faith*** when pastors attack them.*
*These are Jesuit phrases. Sound familiar?
*It causes all kinds of ***confusion, distortion,*** and ***dissension***. It must stop! We must preach love!
Note: God tempered (put together) the true body of Christ, there is no way it can be divided. See 1 Cor. 12: 24, 25 (KJV).

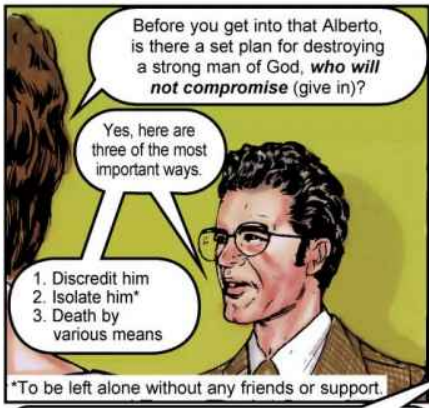


Then to the pastor and those backing him, I would say:
Oh, pastor, you are right! The Catholic church is ***not*** Christian. I've suffered at their hands in Spain!
They hate Christians!
My dear pastor is still in prison. You ***must*** cry out against it! Look at my name in the newspaper,
They called me a heretic.



While the Baptist pastor was getting me into the interdenominational seminary, we started a rumor that he was having an affair with an 18 year old girl.
How terrible, the poor child.
She was a Catholic plant. She told the deacons* who opposed the pastor that she wanted to confess that she and the pastor had an affair. The pastor was innocent. His wife divorced him. The church was destroyed, and I moved on to my next assignment.

*Church officials under the pastor.



Before you get into that Alberto, is there a set plan for destroying a strong man of God, ***who will not compromise*** (give in)?
Yes, here are three of the most important ways.
1. Discredit him
2. Isolate him*
3. Death by various means
*To be left alone without any friends or support.

Number One

Destroy his reputation by lying about him, twisting something he said, making him look like an enemy of the country to get him in trouble with the officials, or frame him with a woman. She could be planted as his secretary to have an affair with him.

Once we had a pastor called to a home late at night. On the way we had a woman in distress on the side of the road. He stopped to help. She screamed, "RAPE," tore her dress and her partner photographed them, destroying the pastor.

Government agencies or police investigate him because he was accused of anything from pushing drugs to income tax evasion, when he proves his innocence, it's too late. The news media has already made him look guilty.

His credit can be messed up, like through credit cards, everybody is told but him, putting him in a mess. Later they apologize for the mix up, when it's too late. All this is to make him look bad. Secret phone calls accusing his wife or children of obscene acts,

these are only a few things to make him look bad. By now he is considered unreliable and branded as a liar and a thief.

Number Two: Isolation

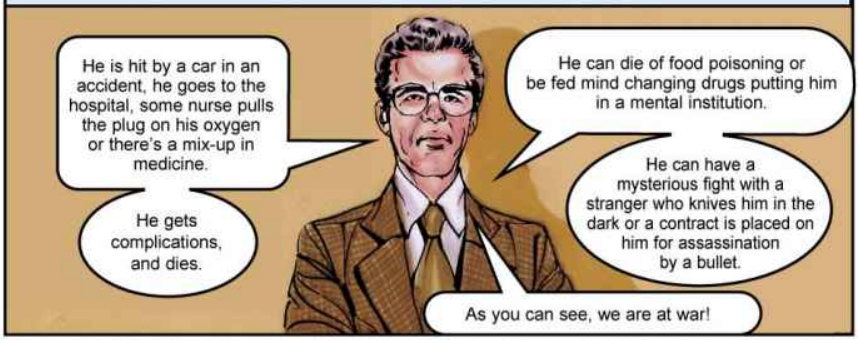
A letter-writing and whispering campaign get started saying he is too controversial;* he is a trouble maker. Those opposing his stand call him an enemy causing division. He's against unity; he's not showing God's love! He has his own strange doctrines or beliefs. He is left alone without pastor friends.

A new lie is spread saying, "He had a nervous break-down, so everything he says is unreliable." Most of them give in and compromise. It is easier than facing the heat. Isolation is used to force them out of ministry.

*Whatever he says causes trouble.

Number Three: Death! The Last Resort!

When he believes he has a call from God and will not compromise under all this pressure from other pastors, friends(?), and family, then strange things happen.



He is hit by a car in an accident, he goes to the hospital, some nurse pulls the plug on his oxygen or there's a mix-up in medicine.
He gets complications, and dies.
He can die of food poisoning or be fed mind changing drugs putting him in a mental institution.
He can have a mysterious fight with a stranger who knives him in the dark or a contract is placed on him for assassination by a bullet.
As you can see, we are at war!

Note: One deadly technique is to produce a double, who looks like the victim, supplied with identification papers using his name, he deliberately lives a wicked life, forges papers ruining his credit, and destroys his reputation.

The protestant seminary I was to destroy was located in Costa Rica. It was inter-denominational.

Two beautiful girls were assigned to help me. Both were from a Catholic youth action group, posing as fundamental, evangelical, born-again Bible-believing Christians.

Carmen was to be my girlfriend in the Bible College.

Marie was assigned to destroy pastors and introduce sex among the students.

To prove I was anti-Catholic I would argue, in front of the other students, with the Jesuit priests who came to the Bible College.

Did those Jesuits know who you were?

Oh, yes. It was all an act!

I reported everything about the school to those priests.

In turn, they passed it on to the holy office in the Vatican.

I caused unrest among the students by going against the strict rules of separating the boys from the girls. I would hold hands with Carmen.

What's happening to this school?

The lady teachers were missionaries and single. They were outraged.

Well, I never!

I set up a few handsome Catholic boys posing as Christians to seduce the younger lady teachers. I visited the girls' dormitory after hours.

One night Carmen and I allowed ourselves to be caught on the grounds of the girls' dormitory. She was in her nightgown.

All the girls are doing the same thing with other male students.

Disgusting!

O my God! How did this happen?

It created a scandal in the newspapers. A Jesuit priest told the story. The college was shaken. It was branded as a place of corruption.

I dressed as a slob, always late. I started fights with the teachers and then accused them of not having Christian love.

You're late again, Alberto!

Stop picking on me! Why are you always persecuting* me?

You sound like a priest!

At every opportunity, I convinced them that there were many good Christians in the Catholic institution and that the Catholic schools were best because of discipline. No cover-ups, never a scandal!

*To Hassle

Marie had been busy. Many of the 17 students she had seduced had been expelled. Now was the time to work on the pastors.

When I saw a huggy, kissy Christian church and a pastor who would often touch Marie and watch the way she walked, I would tell her to destroy him.

gulp

Oh, pastor, I can't stay away from you!

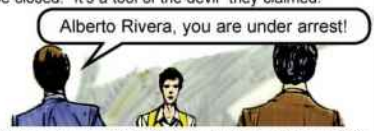
3 pastors fell—a Methodist, a Pentecostal and a Four Square minister. We would demand they stop being anti-Catholic or else!

The mission was successful. All 3 pastors became ecumenical.* They started only preaching about the love of God. They would never say again that the Roman Catholics were going to hell, all according to our instructions.

*The coming together of all the churches, ultimately joining with the Roman Catholic institution.

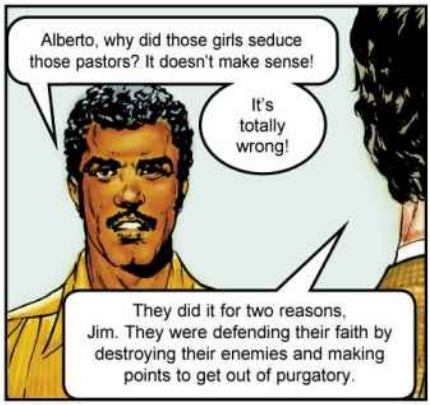
In the Bible College, the last straw was when I talked the students into a 3-day hunger strike to improve conditions.

Again, it broke in the news. The school was at the point of going under. The Catholic priests were demanding it be closed. "It's a tool of the devil" they claimed.

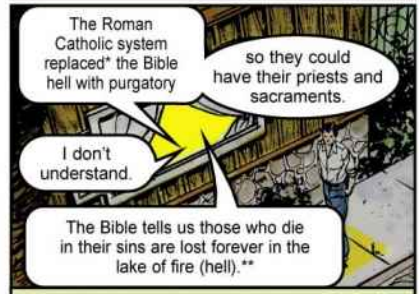


When the school officials tried to get me sent out of the country, the Vatican, through the government of Spain, claimed I was an army deserter. I was removed before they could discover I was a Jesuit.

Interesting note: Today that Bible College is totally ecumenical, working very closely with the Roman Catholic priests.



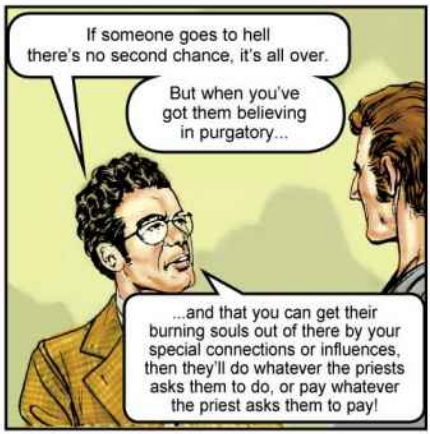
Alberto, why did those girls seduce those pastors? It doesn't make sense!
It's totally wrong!
They did it for two reasons, Jim. They were defending their faith by destroying their enemies and making points to get out of purgatory.



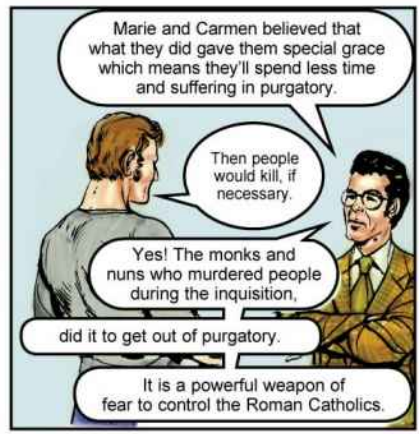
The Roman Catholic system replaced* the Bible hell with purgatory
so they could have their priests and sacraments.
I don't understand.
The Bible tells us those who die in their sins are lost forever in the lake of fire (hell).**

*In 593 A.D. Pope Gregory I initiated the teaching of purgatory as a temporary place of purification (suffering) for those who die as Roman Catholics. The council of Florence made this official in 1439.

** "and the smoke of their torment (suffering) ascendeth up for ever and ever" Rev. 14: 11 also Rev. 21: 8



If someone goes to hell there's no second chance, it's all over.
But when you've got them believing in purgatory...
...and that you can get their burning souls out of there by your special connections or influences, then they'll do whatever the priests asks them to do, or pay whatever the priest asks them to pay!



Marie and Carmen believed that what they did gave them special grace which means they'll spend less time and suffering in purgatory.
Then people would kill, if necessary.
Yes! The monks and nuns who murdered people during the inquisition,
did it to get out of purgatory.
It is a powerful weapon of fear to control the Roman Catholics.

Alberto, what is mass all about?

Ahh, that was a beautiful invention. It was cooked up by the bishop of Rome in 368 A.D.

During the sessions of the Council of Trent, a new word was created to "explain" mass. It was "transubstantiation"*

*Which means the priest has the power to change the bread and wine into God almighty (the actual body, soul and blood of Jesus Christ) see page 6.

Man, that's total blasphemy. And they bought it?

Absolutely! The priest claims he has the power to pull Christ down from heaven, to repeat the crucifixion every time the mass is performed.

That's crazy! The Bible says, "But this Man (Christ), after he had offered ***one sacrifice*** for sins ***for ever***, sat down on the right hand of God (in heaven)." Heb. 10: 12

That's why that verse is never read to Roman Catholics!

Another verse the priests hate: "And if any man sin, we have an advocate (a defense lawyer) with the Father, Jesus Christ, the righteous."

Speaking of a lawyer, the Roman Catholic institution conned the followers into believing this (and it's pure Baal worship).*

The following is not found in the Bible. The Roman Catholic institution says:

Jesus is up in heaven as a judge, without mercy, no one is allowed to plead their case with Him, so Mary is sitting up there in front of Him as a suffering mother full of compassion and understanding.
Begging her son to forgive and have pity on those Roman Catholics who faithfully pray to her and believe she is the *co-savior and *co-redeemer (claiming she shed her blood at the same time Jesus did when He was crucified because of her pain and suffering for mankind).

*"The Two Babylons by Hislop , published by Chick Publications, in the chapter entitled: The Mother of the Child". Also see "Sabotage" Crusader comic no. 11 page 23.

Then Mary is their ticket to heaven after they go to purgatory?

Right! They could **never** give up their Virgin Mary, for fear of losing their souls.

The system has turned this poor earthly mother into a goddess*. Mary was a sinner just like every other human being.** Only Jesus was born with out sin.***

*See "Babylon Religion" pp.164-167
** "...There is non righteous, no, not one:" Rom. 3: 10
"For all have sinned, and come short of the glory of God;" Rom. 3: 23
*** "(Jesus)Who did no sin, neither was guile found in His mouth:" 1st Peter 2: 22

I loved the Virgin Mary with all my heart. I would have killed for her, I would have gladly given my life for her until...

Until I found something in the Bible that shook me to my foundations.

Why would Jesus call his mother "woman"?
John 2:4 "Woman, what have I to do with thee?"
John 19: 26, 27 "Woman, behold thy son." Then he said to his disciple, "Behold thy mother."

These two verses disturbed me so much, I couldn't sleep. I contacted a Jewish Rabbi (religious teacher) to see if it was proper to address her this way. His answer was "No!" He found it offensive.

Satan's religion is called "Baal worship." It started back in Babylon where they worshiped the queen of heaven. God hates it! (See the Bible in the 7th and 44th chapters of Jeremiah). That's why Jesus called Mary woman. The same system (now called Roman Catholicism) has made her *"the queen of heaven."

*See "Angel of Light" vol. 9

Alberto, what is the Immaculate Conception?

Roman Catholics must believe that Mary's mother conceived without sin

and therefore Mary was born without sin. Thus making her co-equal with God, the Father,

and making her the mother of God (Jesus the Son).

Man, no real Christian would buy that!

Roman Catholics all over are telling us that they are born again and saved.

Are they talking a different language than we are?

Absolutely. When a Catholic has been sprinkled for baptism, he believes he's born again, even if a baby.*

A Roman Catholic believes he is saved as long as he worships Mary and remains faithful to the system. They are told there is no salvation outside the Roman Catholic institution.

When a Roman Catholic says he receives Jesus as his Lord and Savior, he's not telling you what you think he means. He doesn't mean he has the risen Christ living in his heart.

He means he receives Jesus every time he eats the host (or bread) when the priest is saying the mass. He believes he is eating the actual body and blood of Jesus.

*See The Catholic encyclopedia, VOL. II PG. 261

What does a Roman Catholic mean when he says he repents? Does he really mean he asks God to forgive him and is he truly sorry and turns away from sin?

No way. A Roman Catholic has to buy God off by doing penance. The priest forgives him but makes him do penance for his sin. This means he must do 50 Hail Mary's or the Lord's Prayer, or light candles to saints or the Virgin Mary, or go around the church on his knees—whatever the priest demands.

Now that, my friend, is what a Roman Catholic means when he tells you he repents.

Then if a Catholic is really saved, he couldn't possibly go along with the Roman Catholic system, right?

Absolutely! He must come out! If he obeys Jesus, the Lord will take the system out of his heart and give him life!*

The system can only give death and fear!

*II Corin. 6: 14,15,16,17,18. 7: 1

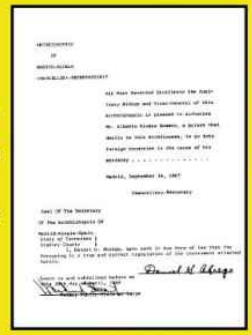
After I destroyed the seminary and was taken back to the Vatican in Rome, I was ordained (appointed) a Jesuit Priest. I was so skillful in espionage work that I was placed under the extreme oath and induction. Here is my I.D. card and the official certification from the archdiocese (my superiors) to work in foreign countries.

Note: After I left the institution, I was made a bishop in the ***old*** Roman Catholic Church, receiving my bull of consecration under the apostolic succession of the Roman Popes.

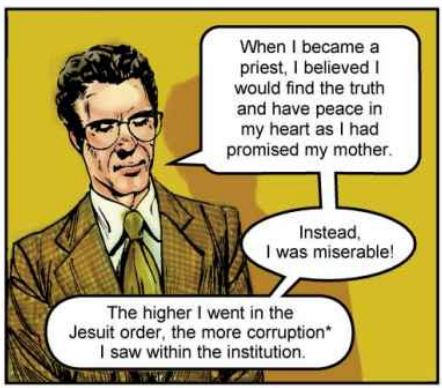
This I.D. card was issued by the Spanish government in Spain in 1967, under the rule of the Spanish dictator Franco. His security forces were equally as strict as the Gestapo had been in Germany. To obtain this document, Alberto had to supply birth certificate, identification papers, and positive proof from his archdiocese of being a priest. Several security organizations were involved, similar to our CIA and FBI. The priest, Alberto Rivera, had to be approved by all organizations to receive this document. There was no way it could have been a forgery. There is no question he was a priest. What you see here is positive proof. This document was granted by a government that had pledged absolute submission to the Pope through the concordat signed by the government of Spain and the Vatican.

Spanish

This is a copy of the last official certification given to me just before I left Spain in 1967.



English



When I became a priest, I believed I would find the truth and have peace in my heart as I had promised my mother.
Instead, I was miserable!
The higher I went in the Jesuit order, the more corruption* I saw within the institution.

*rottenness

I was invited to attend a secret black mass by high ranking Jesuits in a monastary in the northern part of Spain.

When I knelt to kiss the ring of a high official, I saw a symbol on that ring that made my blood run cold.

It was a Masonic symbol! A thing I hated and I had been told to fight against it.

Everything was falling apart! I found out the black pope (the Jesuit general) who actually runs the Vatican in Rome, behind the scenes,

was also a mason and a member of the communist party in Spain.

My head was spinning as I found out the Jesuit general was closely linked to the Illuminati in London.*

Brother, ***that*** is heavy stuff?

I was sick for weeks. Everything I was ordered to fight against all tied together at the top.

*Ignatius Loyola, founder of the Society of Jesus (the Jesuits), was a member of the "Alumbrados" which means 'the enlightened' or 'the illuminati.'

Because of my experience in espionage, I was ordered to join the ecumenical forces under Pope John XXIII. The protestants were no longer to be called heretics, but "separated brethren." The communists were no longer our enemies.

BELIEVERS—ONE WORLD CHURCH

Protestants of all denominations – Orthodox Churches of all kinds – Moslems – Brahmins – Buddhists – Mormons – Occult Churches – Eastern Religions – T.M. – Jehovah's Witnesses – Science of Mind – Judaism - etc.

NON-BELIEVERS—ONE WORLD GOVERNMENT

Communist – All Masonic Lodges – Socialists – Athieists – Labor Unions – etc.

Our masterpiece is the third force which is the charismatic movement!

We have successfully infiltrated all of these organizations!

This is the bridge to Rome. Those protestants have accepted us with open arms.

Thanks to our under cover agents we have quietly moved into Christian TV and publishing, and have been accepted as teachers, pastors and evangelists. We are pushing only love and unity to pull us all together. **This is *our* revival!**

* "The Vatican Moscow Washington Alliance" by Avro Manhattan, 1982.

The first protestant groups they moved on were the 7th Day Adventists and the Full Gospel Businessmen.

Then into the Baptists, Methodists, Presbyterians, Lutherans, etc. until they were all infiltrated, including the Mormons and Jehovah's Witnesses.

All the seminaries, universities and colleges were next. The Jesuits directed Catholic Youth Action, Legion of Mary and Knights of Columbus who pulled it off.

Now these groups are silent about Rome or claim that the Roman system is a Christian church.

They are winning through compromise!* Almost all protestant pastors are afraid to speak out against Rome.

If they did, those planted in their churches would attack them on demand.

This is the great apostacy—the great falling away the Bible speaks of, before the Lord Jesus returns.*

* "Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition." II Thessalonians 2: 3

The great whore of Revelation 17 is the Roman Catholic system. Bible prophesy places her in a position of tremendous power in the last days and then shows her in final destruction.

The deceitfulness of the whore of Revelation is exposed. The world leaders, with whom she signed treaties (concordats) turn against her to fulfill God's will. "The Bible says. "And there is great rejoicing in heaven." Rev. 19: 1-6

By this time I was destroyed. My hope was gone! I was on tranquilizers. I was to speak before an ecumenical meeting of Latin protestant leaders and Roman Catholics in Guatemala.

There were to be 50,000 people in the stadium. I committed an unpardonable sin.* I exposed what Rome was up to.

*One that cannot be pardoned or forgiven.

Guatemala, Nov. 1966

How can I preach about life to you when I am dead, and the system I serve smells of death from confessionals, to Mary, to purgatory, to mass and the priesthood which all deny the resurrection of Christ?

Because I am ***not*** your brother!

How can I speak of life when I've lied to you, infiltrated and destroyed your churches? You think this ecumenical movement means love and unity, but in reality it will bring about your death.

Rivera must be stopped!

How do we shut him up?

After the meeting they flew me back to Panama. From there I was shipped to Spain.

Rivera is asleep!

He'll pay for what he did!

This was to be the darkest time of my life.

Through severe discipline they tried to change my mind.

Barcelona, Spain

After months of failure this was their last resort:

What ***is*** this place?

It's a secret place for priests who have gone insane!

O my **God!**

The holy office had judged me guilty of heresy through insanity.

Recant, Rivera and make public confessions! There is only ***one church, the holy mother Roman Catholic Church.***

I was in a padded cell for days without water or food. I had to sign hundreds of documents and answer psychological questions.*

At night I was so heavily drugged, I couldn't sleep. I was sick and totally worn out.

I hate them all! I hate everything!

*Papers and forms

After 2 weeks of brutal questioning I lost hope. I said to my tormentors:

When all those Catholics die who we've lied to and they go to hell, what do we say to them? That piece of stone cannot save them. Mary herself said, "Whatever he (Jesus) says, do." What we've said about her is lies. The Bible proves that!

Shut up, Rivera. You're talking like a protestant!

You're the only devil here. You are trying to destroy our faith in our blessed mother, the Virgin Mary! I could cut your renegade throat Rivera!

You think you're killing for God, but you're doing it for the devil, because you are children of Satan!

I was given shock treatments and heavy drugs. After two months my bladder was infected. All my senses were going.

By the third month, my breathing stopped. I was placed in an iron lung. I saw my mother's death all over again, and I knew I was in the same position. I was confused with fear. I knew I was going to hell.

In the blackest hour, the Lord Jesus came to me, and with this scripture He gave me life:

"Then said Jesus to those Jews who believed in Him, If ye continue in my word, then are ye my disciples indeed; and ye shall know the truth, and the truth shall make you free." John 8:31, 32

I asked Jesus to forgive me. Immediately, life flooded through my body. He saved me and healed me at the same instant. I was free at last!

God's love hit me full force when I realized that Jesus Christ is Jehovah, the creator of the universe.* He is God almighty and Israel's Messiah. *John 1: 10; Hebrews 1: 1, 2

Because of His obedience to His Heavenly Father, He went to the cross and shed His precious blood to wash away our sins. He paid a terrible price.

For God (the Father) so loved the world (that's you), that He gave his only begotten Son (God the Son, Jesus), that whosoever believeth (clings to or trusts) in Him should not perish (in the lake of fire), but have everlasting life (in heaven). John 3: 16

No Roman Catholic priest could ever call Jesus Christ from heaven to repeat this horrible act as they claim through the mass.

The Bible clearly tells us, "But this man (Christ), after he offered ***one sacrifice*** for sins ***for ever***, sat down on the right hand of God (in heaven).
Heb. 10: 12

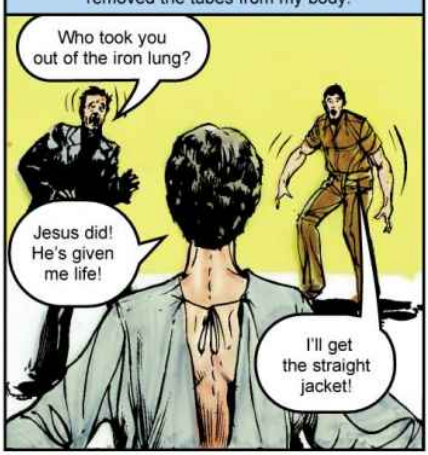
3 days later Jesus arose from the dead and is now sitting at the right hand of the Father in heaven.

We no longer need priests or confessionals because the Bible says:

"Seeing then that we have a great high priest, that is passed into the heavens, Jesus the Son of God, let us hold fast our profession. For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin. Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and grace to help in time of need."
Hebrews 4: 14-16

The Bible says:
"If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness." (I John 1: 9)
So we can go straight to Jesus. Thank God!

I climbed out of the iron lung and removed the tubes from my body.



One week later I was released. I couldn't believe it. I was sent to Madrid by myself.

Waiting for me was a Jesuit priest who was a watchdog from the Vatican, their most trusted man. He hated the ground I walked on.

He worked on me for days using every Jesuit method he could to pull me back to serve the Pope. I kept telling him how I got saved, and showed him the truth in the Bible.

The Word of God touched his heart.

To my shock, he gave me my passport and the papers* I needed to leave Spain. *(see page 27)

Alberto, leave this prison at once and don't ever come back!

I believe Christ has lighted your path. Follow Him, Alberto! Pray for me. Don't write, just pray for me.

That night I flew out of Spain with about 40¢ in my pocket. I had broken away from the system.

The Vatican was stunned. They couldn't believe that I escaped from them. And now my life was totally changed to serve the Lord.

Alberto, what must a pastor do to drive out infiltrators from his church...

...and yet win Roman Catholics to Christ?

The pastor must have the courage to say from the pulpit, that according to the Bible,

Roman Catholics are not Christians, that the Roman Catholic institution is not a Christian church.

And the most difficult of all, is to say that Roman Catholics that die in that faith do not go to purgatory or heaven but to hell

because their faith is in their own system rather than in Christ and His shed blood to wash away their sins.

I do because I love them!

Who will have the guts to preach that?

"And I heard another voice from heaven, saying, Come out of her, my people, that ye not be partakers in her sins, and that ye receive not her plagues." Rev. 18: 4

We must get this message of life to the 800 million Roman Catholics who have been tricked into Baal worship by that institution. My heart goes out to them.

How can you tell them, Alberto?

I don't know, Jim. Only God knows how it will be done.

The End

Note: On questions concerning Roman Catholicism, dogma and doctrines see "The Two Babylons" by Hislop and "50 Years in the 'Church' of Rome" by Chiniquy, available from Chick Publications

This is a time of sell-out, compromise and fear. Satan is bullying and pressuring men into silence… dark clouds are gathering as we come closer to the second coming of Jesus.

True Bible believers must pray for the precious Roman Catholics and love them enough to tell them the truth.

THERESA RIVERA

Alberto's mother, completely devoted to the Roman Catholic system, never missed Mass. She trusted her priest and the virgin Mary, and it cost her a Christless eternity.

Alberto, devoutly religious, yet eaten up with hate, saw the corruption all around. He only found freedom when he surrendered his life to Jesus Christ.

ALBERTO

DONA ISABELLA

Dona Isabella and millions of others had the courage to stand against the system and give their lives for the Saviour… Pray God will give us the boldness they had so we can lift up Christ to draw all men to Him.

THIS IS NO GAME — IT'S WAR FOR YOUR SOUL!
Either it's total commitment and submission to Christ or lose everything forever by going on with Satan and Baal worship…

THE CHOICE IS YOURS!

THE BIBLE SAYS THERE'S ONLY ONE WAY TO HEAVEN!

Jesus said, "I am the way, the truth, and the life: no man cometh unto the Father, but by me." (John 14:6)

NOBODY ELSE CAN SAVE YOU

1. Admit you are a sinner.
2. Be willing to turn from sin (repent).
3. Believe that Jesus Christ died for you, was buried and rose from the dead.
4. Through prayer, invite Jesus into your life to become your personal Saviour.

WHAT TO PRAY

Dear God, thank you for showing me what You think about Catholicism. ***I also reject it!*** I accept Christ's sacrifice as perfect and complete. Please forgive me in Jesus' name. I invite Jesus Christ to come into my life and I place my trust in Him alone for my salvation. Thank you for giving me eternal life right now.

Did you accept Jesus Christ as your own personal Saviour? Yes ☐ No ☐

Date_____

If your answer was yes, then this is just the beginning of a wonderful new life with Christ. Now:

1. Read your Bible (KJV) every day to get to know Christ better.
2. Pray to God every day (in your own words).
3. Be baptized, worship, fellowship, and serve with Christians in a church where Christ is preached and the Bible is the final authority.
4. Tell others about Christ.
